

ISLAND FORMS

“BOW TIE” ISLAND FORMS

Application -

Island forms and curbing protect your most important equipment. EV station chargers, dispensers, ATM's, air machines, and much more. Designed to keep your dispenser equipment off of ground level to help keep water out of your dispenser sumps. Combine with Universal Pipe Guards and Bollards for maximum protection.

Features -

- ✓ Special slide cross braces require no field welding and are easily moved to accommodate many sump sizes
- ✓ Cost effective property protection

Construction -

- 12 gauge steel
- Primer coated black
- Available in Carbon Steel & Stainless Steel (304-SS)
